PROFESSIONAL SUMMARY

Highly organized digital marketer, content creator, and F&B business owner with a deep understanding of hospitality marketing. Expert in turning raw footage and events into polished, authentic short-form videos (CapCut) and graphics (Canva). A Google-Certified AI Specialist who leverages ChatGPT/Claude to streamline content repurposing, email marketing, and SEO. Proven ability to take ownership of marketing calendars, meet strict deadlines, and drive local community engagement.

CORE COMPETENCIES

Content & Social Media: Short-form Video Editing (CapCut/Reels), Graphic Design (Canva), Brand Asset Management, Copywriting, Content Repurposing.

Digital Marketing & AI: Email Campaigns (Klaviyo), SEO & Google Business Profile, Local Community Outreach, AI Workflow Integration (ChatGPT, Claude).

Systems & Analytics: Project Management (Asana), Content Scheduling (Zoho Social), KPI Tracking, Marketing Calendar Management.

EXPERIENCE & KEY PROJECTS

Co-Owner & Local Marketing Lead

2024 – Present

Morpho Cafe and Studio (F&B / Hospitality)

- **Content & Social Media:** Manage the end-to-end marketing calendar, producing authentic photos, videos, and Canva graphics to build a highly engaged local community.
- **Community & Local SEO:** Drive neighborhood outreach, manage local partnerships, and optimize the Google Business Profile, resulting in a 30% increase in digital footprint and delivery volume.
- **Marketing Automation:** Utilize AI tools (ChatGPT/Claude) to brainstorm campaigns, write engaging captions, and streamline marketing workflows while maintaining brand voice.

Freelance Video Editor & Content Creator

2023 – Present

Independent Clients (Canada, UAE, Italy)

- **Short-form Video Editing:** Edited dynamic Reels and event recaps using CapCut, removing filler words, adding branded captions, B-roll, and music to maintain natural, engaging pacing.
- **Graphic Design:** Created high-converting, branded graphics and product composites in Canva for international brands including AHA Sparkling Water and Ruffles.
- **Project Management:** Operated independently via Asana/Google Drive to meet strict production deadlines, coordinate assets, and communicate proactively across different time zones.

Independent Digital Projects

- **Content Repurposing:** Turned strategic priorities into execution, repurposing core topics across blogs, social media, and email channels using advanced prompt engineering.
- **Performance Tracking:** Maintained KPI dashboards to document campaign results, analyzing audience engagement to test new messaging formats.

CERTIFICATIONS

- **Gemini Certification for University Students** – Google (86% Assessment Score)
- **Generative AI for Educators** – Google Edu
