PROFESSIONAL SUMMARY

Operations-first Social Media & Syndication Specialist with 4+ years of proven international remote experience (UAE, Italy, Canada) managing high-volume, multi-channel publishing engines (200+ monthly assets across YouTube, LinkedIn, Instagram, and X). Dedicated to "Process over Personality": built to operate behind the scenes as the rigorous execution engine that makes Founders and Creative Directors succeed. Obsessive about platform-specific formatting, aspect ratio rigor (9:16 vertical, 4:5 carousels, 16:9 video), mobile safe zones, hook truncation limits, and 16-point technical quality control. Proven track record executing multi-format repurposing pipelines (converting YouTube scripts into structured canonical articles, top LinkedIn posts into Notion SOP resources, and Notion guides into high-dwell 45s Reels/Shorts scripts) with zero creative friction and 100% on-time delivery. **Available immediately for full-time remote placement.**
