PROFESSIONAL SUMMARY

Results-driven Video Editor with 3+ years of international experience transforming raw, unstructured footage into elevated, high-retention short-form videos (Reels, Shorts) and polished long-form edits. Expert in Adobe Premiere Pro, cinematic narrative pacing, atmospheric sound design, Lumetri color grading, and refined editorial typography. Proven background collaborating with international clients across Europe (Florence, Italy), the UAE, and North America. Passionate about honoring craft, architecture, and design through visual storytelling that captivates audiences. Available immediately for full-time US CST hours.

TECHNICAL SKILLS & COMPETENCIES

Editing & Post-Production: Adobe Premiere Pro, Pancake Timelines, 3-Point Editing, Narrative Rhythm & Pacing, Match Cuts, Spatial Flow, Dynamic Reframing, Multi-Cam Sync, B-Roll Integration.

Atmospheric Audio & Sound Design: Essential Sound, Tactile Foley & Natural Ambient Soundscapes, Dialogue Cleaning (De-Noise, Parametric EQ), Compression, Subtle Score Ducking (-18 to -22 dB).

Color & Visual Aesthetics: Lumetri Color Correction & Color Grading, Material Fidelity (Wood, Stone, Glass), Natural Light Balance, Minimalist Editorial Typography, Safe-Zone Framing (9:16 & 16:9).

Workflow & Setup: Dedicated NVIDIA GPU Hardware Acceleration (NVENC), H.264/H.265 Web Optimization, SOP Documentation, Revisions via Google Drive / Frame.io, Adobe Photoshop, Canva Pro.

WORK EXPERIENCE & KEY PROJECTS

Freelance Video Editor & Content Creator

2024 – 2025 (1 Year)

Independent Client (UAE)

- **Short-Form Video Repurposing:** Repurposed 40+ minute unstructured raw interviews, podcasts, and Q&A sessions into dynamic, high-retention 60-second vertical reels (9:16) for social media.
- **Retention & Engagement:** Added kinetic captions, sound-designed accents (whooshes, pops), dynamic punch zooms, and contextual B-roll to maximize viewer completion rates.
- **Art Direction Collaboration:** Executed tight review and revision cycles under brand guidelines, consistently delivering ready-to-publish assets ahead of schedule.

Freelance Post-Production & Video Editor

2022 – 2025 (3 Years)

Independent Client (Florence, Italy)

- **Long-Form Reportage & Event Post-Production:** Delivered end-to-end post-production for multi-day event video collections, handling multicam assembly, narrative pacing, and branded openers.
- **Audio Mastering & Color Grading:** Applied vocal cleaning, dialogue leveling, background music ducking, and Lumetri color correction to achieve broadcast-quality visuals and sound.

Freelance Visual Designer & Composer

2024 (6 Months)

Independent E-Commerce Client (Canada)

- **High-Converting Visual Media:** Created e-commerce visual assets and high-fidelity product composites for major consumer brands (AHA Sparkling Water, Ruffles) following strict brand guidelines.

Video Creator & Marketing Lead

2024 – 2025

Morpho Cafe and Studio (F&B / Hospitality)

- **Brand Storytelling:** Produced engaging behind-the-scenes, product showcase, and social-first video content, driving local community engagement and a 30% increase in digital delivery orders.

HARDWARE & PRODUCTION SETUP

Workstation: Intel Core i5 (8 Threads), 16 GB High-Speed RAM, Dedicated NVIDIA GeForce GTX 1650 GPU (CUDA & NVENC Hardware Encoding), 1TB+ Fast SSD Storage.

Network: High-Speed Wi-Fi 6 / Fiber Connection with link speeds up to 865+ Mbps, backup mobile hotspot, and dual-monitor multitasking setup.

EDUCATION & CERTIFICATIONS

- **Post-Graduate Studies (Currently Enrolled)** – University of Santo Tomas (UST)
- **Bachelor's Degree** – Central Luzon State University (CLSU)
- **Gemini Certification for University Students & Generative AI for Educators** – Google Edu
