PROFESSIONAL SUMMARY

Proactive Business Operations & Systems Specialist with 4 years of experience optimizing operational workflows, coordinating vendor deliverables, and building lightweight automated tools to eliminate business bottlenecks. Proven track record of deploying internal business applications that drove a 30% revenue increase for an operational commercial business. Combines strong commercial acumen (COGS, vendor sourcing, quote estimation, margin defense) with modern AI workflows, data maintenance, and visual communication.

CORE COMPETENCIES

- **Business Operations & Sourcing:** Process Optimization, Bottleneck Elimination, Vendor Sourcing & Procurement, COGS & Margin Defense, Custom Quote Estimating, Standard Operating Procedures (SOPs).
- **Systems & Automation:** Internal Tools Prototyping (No-Code / AI-Assisted), AppSheet, Google Workspace Automation, Payment API Integration, ERP/CRM Data Maintenance, Workflow Automation.
- **Project & Delivery Coordination:** Cross-Functional Stakeholder Management, Vendor SLA Tracking, Digital Catalog Management, Client Revision Cycles, Executive Presentations.

PROFESSIONAL EXPERIENCE

Operations & Systems Lead (Co-Owner) | *Morpho Cafe and Studio* (Jan 2024 – Present)

- Engineered and deployed a custom 5-app operational ecosystem (POS, Inventory Manager, Kitchen Display System, Customer Delivery App, Rider Tracking) to eliminate manual paper ticket bottlenecks.
- Drove a 30% increase in delivery orders within 30 days of deploying the streamlined mobile ordering and fulfillment workflow.
- Managed daily procurement, vendor supplier coordination, and cost of goods sold (COGS) to defend operational gross margins.
- Created standard operating procedures (SOPs) for kitchen and delivery staff, drastically cutting turnaround delays and remake errors.

Campaign & Operations Director | *SPXI 50th Golden Jubilee Campaign* (Oct 2026 – Present)

- Directing end-to-end campaign operations, merchandise catalog fulfillment (apparel, tumblers, totes), and executive presentation decks for global alumni stakeholders (USA, Canada, PH).
- Managing vendor production milestones and social media community communications with zero operational slippage.

Commercial Sourcing & Quoting Specialist | *Independent Printing & Merchandise Studio* (Jan 2023 – Dec 2024)

- Spearheaded supplier sourcing and raw material procurement (apparel, sublimation drinkware, vinyl substrates), negotiating competitive wholesale rates.
- Calculated true material yield, nesting, and labor burden to produce accurate, profitable estimates and defend gross margins on custom builds.
- Streamlined the quotation pipeline for institutional and corporate clients, reducing turnaround delays from days to hours.

Remote Operations & Creative Delivery Specialist | *International Accounts (Canada, UAE, Italy)* (Dec 2020 – Dec 2024)

- Executed high-precision digital asset delivery for Fortune 500 consumer brands (AHA Sparkling Water / Coca-Cola, Ruffles) under strict Art Director brand guidelines.
- Managed cross-border client revision workflows, asset handoffs, and feedback loops across multiple time zones (North America, Europe, Middle East).
- Coordinated post-production timelines for high-stakes choral competitions and media campaigns, consistently meeting zero-delay broadcast deadlines.
