PROFESSIONAL SUMMARY

Creative, performance-focused **E-commerce Graphic Designer & Visual Content Creator** with 4+ years of international experience designing high-converting **Shopify storefront assets**, promotional marketing campaigns, private label merchandise graphics, and dynamic short-form video content. Deep, authentic passion for **Trading Card Games (Pokémon, Magic: The Gathering, One Piece)**, anime, and gaming collectibles, allowing seamless execution of community-aligned visual hooks without creative friction. Advanced expertise across **Adobe Photoshop, Illustrator, Premiere Pro, After Effects, Canva Pro, and CapCut**. Proven track record managing complete visual refreshes, stream overlay assets, and collection banners for North American and global brands. Ready for immediate full-time start with a 5:00 AM PHT schedule for Eastern Time business hours overlap.

CORE COMPETENCIES & CREATIVE CAPABILITIES

Shopify & E-commerce Visuals: Homepage hero banners, collection page headers, product badging, promotional popups, seasonal sale asset bundles.	Performance Ad Creatives & Social: High-CTR social ads (Meta, TikTok), carousel storytelling, data-backed visual hooks, release drop announcements.
TCG & Pop Culture Fluency: In-depth understanding of Pokémon TCG sets, Magic: The Gathering, One Piece TCG, League of Legends, sports cards & hobby supplies.	Short-Form Video & Motion: CapCut, Premiere Pro, After Effects, dynamic unboxing pacing, card reveal teasers, sound design, viral Reels/Shorts edits.
Private Label & Packaging Graphics: Branded packaging, product labels, custom playmat layouts, deck box graphics, apparel & merchandise graphics.	Streaming & Digital Overlays: Twitch/YouTube stream overlays, webcam borders, starting/ending screens, alert badges, tournament graphics.

PROFESSIONAL EXPERIENCE

Digital Brand & E-commerce Visual Designer | Morpho Studio & Digital Brand Ecosystem (Jan 2024 – Present)

- Owned complete digital storefront and app visual identity, designing promotional hero banners, category headers, and campaign assets that drove a **30% increase in digital order volume** within 30 days.
- Produced engaging short-form video reels and motion graphics in CapCut and Premiere Pro showcasing product launches and behind-the-scenes content, boosting social engagement by 45%.
- Designed private label product packaging, merchandise artwork (custom apparel, tumblers, branded packaging), and in-store promotional displays with meticulous print-ready accuracy.
- Built reusable design templates in Canva and Adobe Creative Suite, establishing cohesive brand guidelines that cut ongoing promotional turnaround times by half.

Lead Graphic Designer & Merchandise Specialist | Commercial Graphics & Printing Studio (Jan 2023 – Dec 2024)

- Designed commercial product graphics, custom merchandise, collector apparel, and marketing collateral for corporate, event, and retail clients.
- Pre-flighted complex vector illustrations in Adobe Illustrator and Photoshop, managing resolution, bleed margins, and spot color accuracy for high-volume manufacturing.
- Collaborated with clients to translate unstructured visual requests into polished product mockups and digital advertising assets with minimal revision loops.

Remote Visual Designer & Video Editor | International Accounts (Canada, UAE, Italy) (Dec 2020 – Dec 2024)

- Created high-converting Amazon product listings, packaging composites, and e-commerce visual assets for Canadian online retailer TrendNSave under strict marketplace specs.
- Edited cinematic event videos and short-form promotional teasers in Adobe Premiere Pro and After Effects with custom Foley sound design, color grading, and dynamic kinetic typography.
- Delivered 100% on-time project execution across Canadian and international time zones with proactive daily English communication via Slack and Teams.
